Sustainability Management

Sustainability Governance

Board of Directors

The BOD has ultimate oversight of sustainability—covering climate-related risks and opportunities—and allocates and directs the resources required to deliver the strategy and targets

Sustainability Committee

Co-chaired by Doğan Holding's CEO and an Independent Board Member, the Sustainability Committee defines the sustainability strategy, oversees implementation, and submits it to the Board for approval

Early Detection of Risk Committee

Supports the Board by proactively identifying and overseeing risks across Doğan Holding and its Group companies, and reviews & approves corporate risk assessments and mitigation measures

Corporate Communications and Sustainability Department

Develops sustainability strategies, monitors related policies and practices, provides the Sustainability Committee with technical coordination and regular reporting, and prepares strategic sustainability reports for the Committee's review

Corporate Risk Management Department

Manages corporate risk assessment processes, implements the annual risk-based audit plan, and—working with the Corporate Communications and Sustainability Department—identifies, assesses, and monitors climate-related risks and opportunities
